

MUTILATED!

This script is not dedicated to the PM of Canada,
Mark Carney who stated on June 6, 2025:

and to the 230 million **Muslim Women** (<https://www.unicef.org/press-releases/>)
who have been **MUTILATED** and to the millions more to become so.

UNICEF's latest report reveals « **alarming** » trends in the global prevalence of Female Genital Mutilation (FGM). In **2024**, more than **230 million** Girls and Women underwent FGM, a **15% increase** since **2016**. This increase of **30 million** additional cases highlights the persistence of this harmful practice despite global efforts to eliminate it.”

WOMEN'S RIGHTS AND PEACE ARE INSEPARABLE!

ONLY « LIBERATED » WOMEN FROM EVERYWHERE CAN SAVE HUMANITY!

Just a few days after calculating what you've just read, a totally unexpected confirmation awaited me in the form of an « 11 ».

« 11 », the first time a « 1 » meets another « 1 ».

EVERY 11 SECONDS, A GIRL IS BEING CUT.

MY BODY IS ONLY HERE TO CARRY BABIES.

«Somali-British activist **Leyla Hussein** discusses the urgent need to eradicate the abusive practice of FGM on:

International Zero Tolerance Day - February 6th.

Let's listen to what **Leyla** has to say!

«“Every 11 seconds, a Girl is cut. The fact that we aren't outraged seems absolutely absurd to me. **The world hasn't yet taken the problem of FGM seriously** because it disproportionately affects Black girls. You can't claim that every child matters and then choose which ones do.

I WAS CUT FOR MY FUTURE HUSBAND. So I haven't had sex outside of marriage. Therefore, I EXPERIENCE NO SEXUAL PLEASURE. MY BODY IS ONLY HERE TO BEAR CHILDREN. What I went through is one of the worst forms of violence. I am absolutely convinced that FGM will disappear, but that will only be possible if we end all forms of Human oppression.”

**WOMEN'S RIGHTS AND PEACE ARE INSEPARABLE!
ONLY « LIBERATED » WOMEN FROM EVERYWHERE CAN SAVE HUMANITY!**

When I read «**The world has not yet taken it seriously**» I immediately thought of the incompetent Secretary-General of the United Nations who, under pressure from the "Muslim Brotherhood" movement, and therefore under that of the OIC, the Organisation of Islamic Cooperation comprising 56 Member States, shamefully, what intolerable irresponsibility, shamefully tolerates the criminal practice of FGM until 2030.

«The year 2030 is the target date set by the UN for the elimination of female genital mutilation (FGM) as part of the Sustainable Development Goals (SDGs) ».

THE UNIVERSAL DECLARATION OF HUMAN RIGHTS AT 70:
STILL WORKING TO ENSURE FREEDOM, EQUALITY AND DIGNITY FOR ALL

Article 1: We are all born free and equal

The 1948 Universal Declaration of Human Rights (UDHR) is – obviously – a

3,750,000 little girls "cut" every year! 3,750,000 clitorises irreversibly mutilated! In agony! Such barbarity, such contempt for Women, what do you call it? I call it **CIVILICIDE**. And **CIVILICIDE** means that tens of millions of young Muslim Women are still **in danger** today, and not only in Iran, no, in danger everywhere in the Muslim Brotherhood's sphere of influence. And almost no one dares to speak about it.

If you are looking for studies, essays, doctoral theses, books or simply high-visibility "op-eds" that take into account the **ANTHROPOLOGICAL PERSPECTIVE** regarding the sub-humanization of Women throughout History.....

— —IN RELIGION (ISLAM) WOMEN ARE INFERIOR TO MEN— —

.....GOOD LUCK!

Tolerance sometimes kills. Tolerance often kills. Unconditional, unreserved, excessive tolerance, guilt-absolving tolerance, is an irresponsible and criminal attitude. Faced with the magnitude of the FGM catastrophe, any tolerance is shameful, I repeat, shameful, inadmissible, unacceptable. It is important and urgent for the Human Zoological Group to adopt a **"Zero Tolerance"** approach.

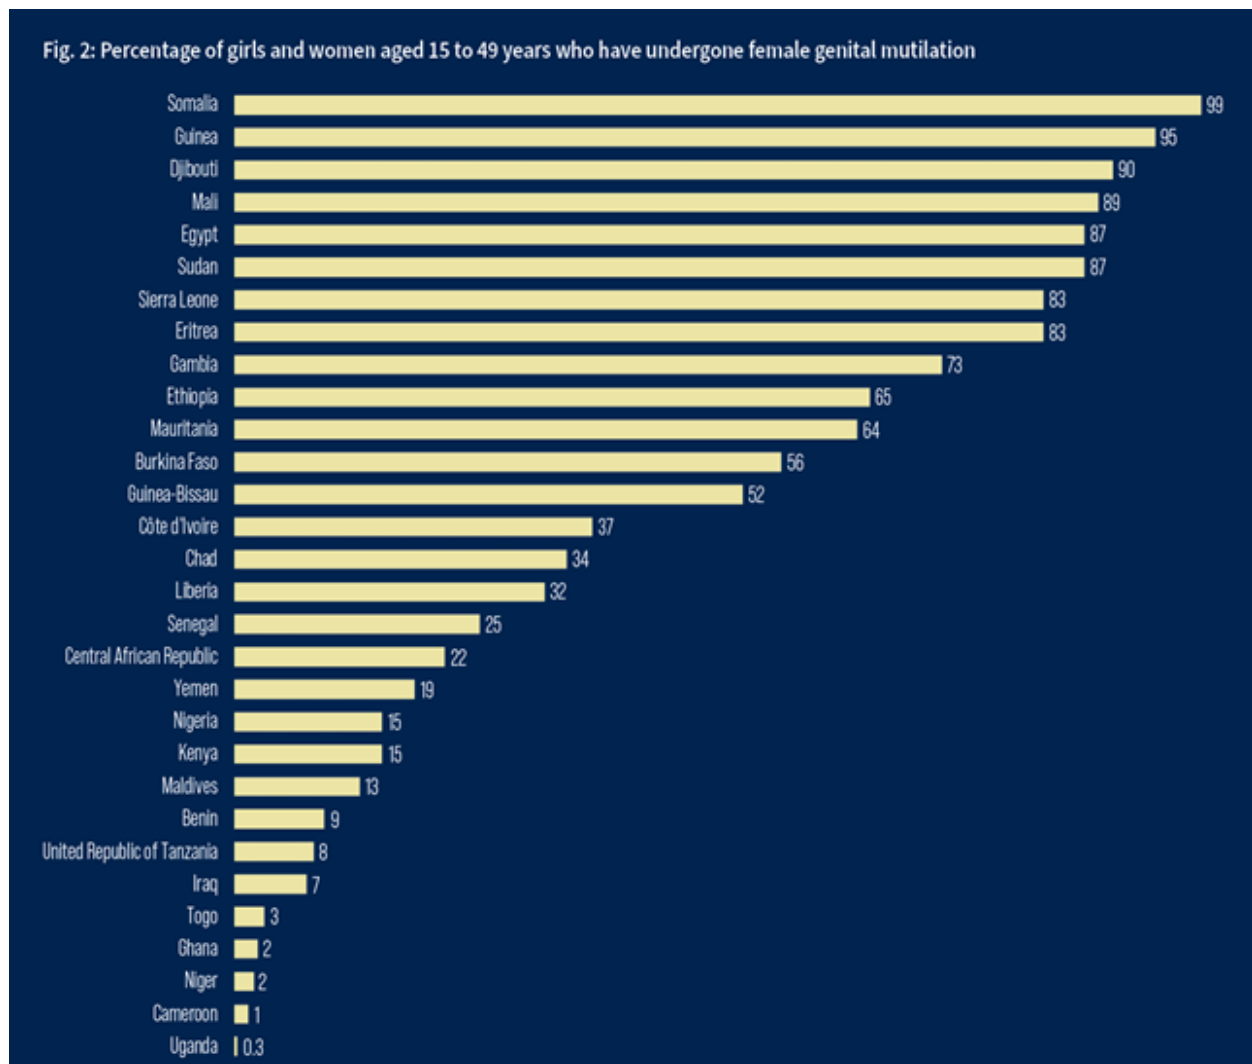

**WOMEN'S RIGHTS AND PEACE ARE INSEPARABLE!
ONLY « LIBERATED » WOMEN FROM EVERYWHERE CAN SAVE HUMANITY!**

That said, it should be noted that the UNICEF 2024 report emphasizes that ***"the current rate of FGM reduction is insufficient to achieve the United Nations Sustainable Development Goal of eliminating FGM by 2030. »***

It couldn't be clearer! And yet!

The numbers speak for themselves, and they are atrociously, intolerably impressive.

This is happening in more than 30 African countries (list below), with Somalia topping this terrifying list with **99%** of Somali Women undergoing sexual mutilation, most often in repugnant, inHumane, undignified, contemptuous sanitary conditions, conditions that reveal the existence in Islamic ideology of a millennia-old endemic misogyny

<https://copfgm.org/fr/analyse-du-rapport-unicef-2024-nouvelles-donnees-sur-la-situation-mondiale-des-mgf/>

That being, I am of the opinion that in the face of FGM, the **UN** must absolutely **wake up** and fully enforce its Charter of Human Rights (1948). For the entire Human Zoological Group, as for all **UN** Members, this is a matter of Human dignity, civic solidarity, and institutional coherence. It's urgent, at the rate of seven excisions per minute. It's so urgent! Look! Look at what the UN's irresponsible excess of tolerance leads to mode. This is urgent, at a rate of 7.13 excisions per minute.

**WOMEN'S RIGHTS AND PEACE ARE INSEPARABLE!
ONLY « LIBERATED » WOMEN FROM EVERYWHERE CAN SAVE HUMANITY!**

When I first saw the picture of that little Girl — from now on, I call her **LEYLA RED** — it completely “threw me to the ground,” disgusted me, shocked me, revolted me.

Then, upon closer examination of the dark, basement-like setting in which **LEYLA RED** must surely have felt devastated and powerless, I suddenly surmised, without really knowing why, that this dark place might be located somewhere near Cheops. Why not?

A day or two later, with hindsight, I understood where that Cheops assumption had come from. A few weeks earlier, I had read the following:

.....

99,3 %
of **Egyptian Women**
report having been sexually assaulted.

Yasmine Mohammed

<https://www.youtube.com/watch?v=n2hAW7XE5Sc>

Egypt is a Muslim country where FGM is **87%**, less than in Mali, a Muslim country where it is **89%**, less than in Djibouti, a Muslim country where it is **90%**, less than in Guinea, a Muslim country where it is **96%** and even less than in Somalia, a Muslim country where it is **99%**.

In any case, I kind of heard what the gesture of **Leyla Red** left arm suggested. I heard what her freshly dried tears under her left eye confirmed; I heard the little **MUTILATED** Girl scream in utter revolt:

WHY WAS THIS DONE TO ME?

WOMEN'S RIGHTS AND PEACE ARE INSEPARABLE!
ONLY « LIBERATED » WOMEN FROM EVERYWHERE CAN SAVE HUMANITY!

That said, with numerous images to back it up and 230 MILLION mutilated Women to back it up, don't even try to imagine the way of life of Mutilated Muslim Women. It's so enormous in terms of horrors, violence, soiled blades, red spurts, lost cries, stifled revolts, contempt for Life, contempt for

Nature, contempt for Femininity, contempt for Beauty.

To hide a Woman's beauty is to despise life.

To veil a Woman's beauty is to despise her life.

To hide a Woman's beauty is to despise freedom.

To veil a Woman's beauty is to despise her freedom.

To hide a Woman's beauty is to despise difference.

To hide a Woman's beauty is to despise femininity.

To veil a Woman's beauty is to despise her femininity.

To hide a Woman's beauty is to despise her nobility.

To hide a Woman's beauty is to despise her sensuality.

To hide a Woman's beauty is to despise **love**.

Did you say « **MUTILATED** » ?

ATTENTION! ATTENTION! The following section contains information that may disgust, displease, shock, make you vomit, or outrage you. WE PREFER TO WARN YOU IN ADVANCE.

« Female genital mutilation (FGM) or excision refers to the total or partial removal of the external female genitalia. It is generally performed with a knife or razor blade, with or without anesthesia».

In fact, it is almost always without anesthesia, partly because of the morbidly excessive submission to "the said" sacrosanct tradition, and partly because of the costs and unavailability of anesthesia in small villages as well as in cities.

« The procedures can range from rubbing or total or partial removal of the clitoral hood to partial or total removal of the clitoris and labia, or even suturing the labia to close the vulva, which is called infibulation ».

<https://www3.ohrc.on.ca/fr/policy-female-genital-mutilation-fgm/2-en-quoi-consiste-la-mutilation-genitale-feminine>

«FGM has no known health benefits, and among the most common complications are bleeding during the procedure, urinary tract infections, painful periods, and chronic pain».

«Excision is generally performed on girls between the ages of 4 and 8. Women and girls subjected to genital mutilation routinely endure **excruciating physical suffering**».

Reading about "**excruciating physical suffering**" quickly brought back the vivid memory of **LEYLA ROUGE** screaming:

WHY WAS THIS DONE TO ME?

Then, immediately afterwards, her question became:

WHAT AM I GUILTY OF?

Guilty! As if, faced with the magnitude of such misfortune, as if, faced with such cruelty, such violence, such barbarity, as if the **guilt** of this act could **only lie with the victim**, the one raped, torn apart, destroyed, paralyzed, humiliated, killed, murdered in the sense of being marked until death.

https://fr.wikipedia.org/wiki/Syndrome_de_Stockholm

«**Stockholm** syndrome is a paradoxical emotional bond that a victim develops toward their abuser, manifesting feelings of sympathy, trust, and even defense toward the abuser. This phenomenon, named after a robbery in Stockholm in 1973, is considered an **unconscious survival mechanism** where the victim seeks to get closer to their abuser in order to « **simply survive**»

And then, without much warning, without really realizing it, the initial question gets away. It was no longer.....

WHAT AM I GUILTY OF ?

.....it was no more.....

WHY WAS THIS DOE TO ME?

.....No! This time, in an even more indignant tone, it was.....

WHY DO I DESERVE THIS?

.....In reality, the only culprit in this repugnant affair is the sick mutilator, relentlessly indoctrinated to always prioritize the **PERFECT MUSLIM MALE**, TAWHIDI STYLE

*The idea of reforming something that was once presented as **PERFECT** makes no sense. It is already **PERFECT**. So it's not as if Islam was introduced in Mecca as another option, a theory, or a new way of life. It was presented as the.....*
