So, referring to what I wrote in « ROBOBREAST » some people pretend to know the future almost a decade in advance, nine (9) years. that is. **WOW! ?WOW?**

In any case, faced with such a ludicrous, pretentious, and obviously unverifiable claim, I wondered — — given that the issue of "WOMEN'S RIGHTS" is the absolute priority in all my scripts — — I wondered what the impact of sexual robotization would be on the global situation of the greatest crime imaginable, the most hateful, the most devastating, the most misogynistic, the most ignoble, and above all, the most « cowardly» crime: **RAPE.**

The very first sign of **RAPE** is **cowardice.**

To **RAPE** a defenseless little girl, one must be a **coward.**

To **RAPE** a defenseless woman, one must be a **coward.**

To **RAPE** a defenseless Muslim Woman, one must be a **coward.**

To **RAPE** a defenseless Western Woman, one must be a **coward.**

That said, here is first a brief reminder from "RE-ROOTING 4":

RAPE is a weapon of **WAR!** - Hélène Vaveau

Non-Muslim Women who do not wear a **VEIL**

Even Muslim Women are not spared.

My purpose here is not to revisit the appalling number of **RAPES** that have occurred in many European countries since 1948, the year the UN Charter of Rights was created. Eighty-one years already! We are likely talking about tens of millions of **RAPED** Women.

For the moment, I am keeping them away. This is mainly because these are **RAPES** which, in the context we are in, I would dare to call "**punctual**" **RAPES**, which obviously does not take away in any way the extreme violence and suffering of which each **RAPED** Woman was a victim.

In my opening dedication, I wrote:

to Women who reject forced marriage,
to Men who reject forced marriage,

That said, it is clear that in the case of a forced marriage between a Muslim male, let's say 55 years old, an obviously perfect and pure male, and, on the other hand, a little girl, let's say seven (7) years old, it is clear that it is impossible for the first night, the WEDDING NIGHT, to look like this:

OIIIO — WEDDING NIGHT - « A honeymoon is the **idyllic** period following a wedding, marked by **harmony** and often celebrated with a honeymoon trip. By extension, it refers to the **euphoric and blissful phase** at the beginning of a relationship or a new PROJECT before the first compromises."

What does it mean? It means that what a little seven (7) year old girl experiences on her WEDDING NIGHT is **RAPE**, a devastating, monstrous, violent event, not only significant but downright unforgettable.

But, you may tell me, that everything you I say about a **RAPE** resulting

from a forced marriage applies just as much to the tens of millions of so-called "punctual" **RAPES**.

Yes, but precisely, counting the number of forced marriages is not the same as counting the number of **RAPES** that result. We are no longer dealing with "punctual" **RAPES** No! We are now dealing with repeated **RAPES**.

About fifteen months ago, I discovered Stéphanie Sinclair's wonderful website: <https://tooyoungtowed.org/>

The number I found there — — a forced marriage every three (3) seconds — — completely floored me. Then I deduced that, in the current context, we live in a world where there are approximately ten (10) million (10,000,000) forced marriages per year.

When the time came to include this data in a script for the first time, I preferred to "round off the edges" with a cautious «grosso modo », thinking that "ten million" might be pushing it a bit too far. But for this script, I wanted to get to the bottom of it.

OIIIO — «Globally, the phenomenon of forced and child marriage affects nearly one in five women. Each year, approximately **12 million** underage girls are forced into marriage, which is almost 33,000 per day ».

TRUMPETS UPSIDE DOWN

We live in a world where, every year, ten (10) million **RAPES** of the forced marriage type occur, **REPEATED RAPES**.

Suppose, for a given forced marriage, for example 7 years versus 55 years, suppose that the perfect and pure Muslim male wants to **RAPE** his bought or trafficked "COMPANY", let's say ten (10) times a year, ten **RAPES** per year. Suppose!

We are now faced with one hundred million (100,000,000) **RAPES**

Now let's suppose one hundred (100) times per year, one hundred **RAPES** per year.

We are now faced with one billion (1,000,000,000) **RAPES**

That's a lot, you might say, it's enormous, it's abominable!

Not really! In the « **2035** » perspective, a billion **RAPES** is practically nothing. Why? Because she suffered her first hundred **RAPES** at the age of seven (7).

But at 8 years old - another hundred - another billion **RAPES**

And at 9 years old - another hundred - another billion **RAPES**

And at 10 years old - another hundred - another billion **RAPES**

And at 11 years old - another hundred - another billion **RAPES**

And at 12 years old - another hundred - another billion **RAPES**

And at 13 years old - another hundred - another billion **RAPES**

And at 14 years old - another hundred - another billion **RAPES**

We've reached 8 billion **RAPES**. I stopped at eight (8) to thumb my nose at the **2035** title

But that's far from all. Indeed, the «7/55 years» case we followed concerns one year, just one year. Let's assume that the year in question is 2025. Let's assume that these ten (10) million girls represent the population counted in 2025. Let's call it the « 2025 VINTAGE ».

The "2024 VINTAGE" means ten (10) million more girls **RAPED** 100 times a year.

The "2023 VINTAGE" means ten (10) million more girls **RAPED** 100 times a year.

The "2022 VINTAGE" means ten (10) million more girls **RAPED** 100 times a year.

The "2021 VINTAGE" means ten (10) million more girls **RAPED** 100 times a year.

The "2020 VINTAGE" means ten (10) million more girls **RAPED** 100 times a year.

The "2026 VINTAGE" means ten (10) million more girls **RAPED** 100 times a year.

We have reached seventy (70) million girls, **RAPED** 100 times a year.

Furthermore, in my dedication, I also wrote:

to Women who reject female genital mutilation,
to Men who reject female genital mutilation,

In this light, isn't it permissible to suppose that "Female Genital Mutilation" on the one hand and "Forced Marriages" on the other could, to some extent and even significantly, maintain ties imposed on hundreds of millions of young girls based on Sharia law? Mutilated, yes! Forced into marriage, yes. After all, isn't Islam the religion of love?

Then, the question becomes:

How many **RAPES** have the 230 million mutilated Muslim women been or are they still victims of?

And how many times were the Egyptian women who were sexually assaulted (99.3% of the time) **RAPED**?

RAPE is the first existential signature of Homo sapiens.

RAPE is the first ontological signature of Homo sapiens.

RAPE is the first behavioral signature of Homo sapiens.

RAPE is the first affective signature of Homo sapiens.

RAPE: the most commonplace signature of the human species.

RAPE: the most constant signature of the human species.

RAPE: the most dogmatic signature of the human species.

RAPE: the most stable signature of the human species.

A **RAPIST** is never sentenced to death.

A **RAPIST** is never sentenced to life imprisonment.

Is **RAPE**, legally speaking, a «bagatelle», a trifle?

Currently, humanity's existential legacy is **RAPE**

Currently, humanity's ontological legacy is **RAPE**

Currently, humanity's behavioral legacy is **RAPE**

Currently, humanity's reptilian legacy is **RAPE**

Currently, humanity's emotional legacy is **RAPE**

When a husband calls his wife to bed and she refuses, the angels curse her until she wakes up. Know that Allah's satisfaction lies in your husband's satisfaction, and Allah's anger lies in your husband's anger.
