to the 230 million Muslim Women victims of female genital mutilation
(clitoral excision) and to the millions of child girls forced into marriage.

It is often said that Art is a reflection of the society in which it manifests itself. I agree. I would even say that, in the case of **Music**, this reflection is more evident than in any other Art form, which, in my view, clearly confirms that:

**Everything Vibrates, Everything Moves,
Everything Evolves, Everything Ascends**

THREE VISIONARIES

A **VISIONARY** is a person who senses or foresees in advance an event, a situation, a social movement, an artistic trend, a scientific discovery, a political revolution, in short, a **VISIONARY** is a person who «feels in advance » something that will happen later in the future.

In this light, two questions immediately arise. First, "**Who**" are we talking about? Second, "**What**" are we talking about?

1 «Who» — Arnold Schoenberg — «What» — UPROOTING

2 «Who» — Norman Mailer — «What» — HOMOGENIZATION - D.E.I.

3 «Who» — Donald J. Trump — «What» — RE-ROOTING

**WOMEN'S RIGHTS AND PEACE ARE INSEPARABLE!
ONLY « FREE » WOMEN FROM EVERYWHERE CAN SAVE HUMANITY!**

In 1923, the composer Arnold Schoenberg (1874-1951) introduced a new compositional technique, **DODECAPHONIC** music with **?12 notes?** In doing so, without fully realizing it, or so I suppose, Schoenberg foreshadowed the coming of the chaotic state of our Western society as it would evolve during the 101 years (1923 - 2024) that followed, more precisely until **November 5**, 2024, « 5 » as in « the fifth of eleventh month », i.e. 45 years plus one (1) day after the attack on the US Embassy in Tehran when 52 American diplomats and civilians were taken hostage for 444 days, from **November 4** 1979 to January 20, 1981, two years **to the day** before the creation by President Ronald Reagan of the so glorious and important Martin Luther King Jr. Day.

Did you say dodecaphonic?

Why is this musical writing technique chaotic? Because everything is **equal**. Equality, I must point out here, is a chimera, a strictly mathematical concept that has nothing to do with Nature nor with the **invisible** reality of acoustic sound vibration and above all, it has nothing to do with the daily lives of « ordinary » people. In dodecaphonic music, all notes are of **equal** importance, **equal** value, **equal** function. Goodbye reference points! From now on, since everything is **equal**, everything is permitted, and therefore, **one can no longer make a mistake.** Goodbye wrong notes! One can therefore say practically anything, claim anything, declare anything, support anything, even going so far as to support, that a **?pregnant?** man, yes - yes - yes - yes, «à la Beethoven»,

a « pregnant man », it does exist. As stupidity, as an insult to human intelligence, as a disconnect from reality, as deception, as identity theft, it's hard to beat!

Cela dit, j'ai plaisir à souligner que tout récemment....

<https://www.youtube.com/shorts/BUPFYxpRMd4>

...we saw the renowned sports reporter Bob Costas make a very relevant point regarding the International Olympic Committee's (IOC) decision to ban so-called "trans" athletes simply by imposing a genetic test on everyone. It was about time!

Adieu Imane Khelif

Moreover, given the dodecaphonic reverberation, anything referencing known cultural elements becomes **excluded**. Are we witnessing a foreshadowing of the cancerous, misogynistic, and suicidal « **woke** » ideology with its stinking « **D.E.I.** » sauce? I think so!

It's as if, from now on, we must ignore, or even reject, the glorious history of Western **polyphonic** music, which is no small thing considering that in the millennia-old Arab tradition, music, like the ideology of Sharia, is based on

monophony. In Islam, dialogue, forget it! It is not permissible to criticize Islam.

Abdullah Hussein Hammoud - Mayor (2025) of Dearborn, Michigan

In short, dodecaphonic music invites us to abandon, deny, and even despise the remarkably rich achievements of our Western Civilization, yes, yes, yes, **the most advanced**.

From now on, we, members of Western civilization, must no longer tolerate being made to feel guilty for having been, and for still being, the most advanced civilization in the field of **Music**. Guilt and contempt are inseparable; guilt and contempt are intolerable.

From now on, we, members of Western civilization, must no longer tolerate being made to feel guilty for having been, and for still being, the most advanced civilization in the field of **Knowledge**. Guilt and contempt are inseparable; guilt and contempt are intolerable.

From now on, we, members of Western civilization, must no longer tolerate being made to feel guilty for having been, and for still being, the most advanced civilization in the field of **Science**. Guilt and contempt are inseparable; guilt and contempt are intolerable.

From now on, we, members of Western civilization, must no longer tolerate being made to feel guilty for having been, and for still being, the most advanced civilization in the field of **Technology**. Guilt and contempt are inseparable; guilt and contempt are intolerable

From now on, we, members of Western civilization, must no longer tolerate being made to feel guilty for having been, and for still being, the most advanced civilization in the field of **Knowledge**. Guilt and contempt are inseparable; guilt and contempt are intolerable.

From now on, we, members of Western civilization, must no longer tolerate being made to feel guilty for having been, and for still being, the most advanced civilization in the field of **WOMEN'S RIGHTS**. Guilt and contempt are inseparable; guilt and contempt are intolerable.

2

We must fear the homogenization of the Human species.

Norman Mailer (1923 - 2007)

When Norman Mailer, writer, journalist and filmmaker, warns us against homogenization, he becomes a «**VISIONARY**» of the social, political, moral, and religious developments which, following the Second World War (1939-1945), will be set in motion first in the USA and then throughout Western Civilization

Homogenization implies the use of a "**zero freedom, zero individuality**" type mechanism or, put another way, the use of a deliberately weakening, numbing, chloroforming mode of operation, a mode leading to anonymity, insecurity and even collective **suicide**.

Did you say « suicide »?

The more you allow homogenization to invade you, the more you conform to what you are told to be, the more you obey what the homogenization fanatics want you to be, the more **your roots evaporate**.

When any foreign body, let's say a social, moral, or emotional microbe — — let's say the microbe is called « Sharia » or « D.E.I. » — — when such a microbe manages to invade a given entity, for example, American society, even in just one of its "civic life particles," then, in time, the microbe will victoriously spread to all of those "civic life particles." In other words, homogenization, from the perspective of the community in question, **NUMBS THE ROOTS, STIFLES SELF-CONFIDENCE, KILLS THE DIVERSITY OF PEOPLES, just like mass illegal immigration.**

In this light, it becomes clear that by making "everything equal," the primary objective of woke homogenization and the "PREGNANT MAN" chimera is to destroy everything that makes American America. And I would add that I am talking here about a suicidal homogenization strategy with strong "trans-humanist" overtones.

— — *"Transhumanism" is a movement that, drawing on advances in biology and artificial intelligence, advocates transforming or transcending humanity to create a post-human or transhuman being with capabilities superior to those of current beings.* — —

<https://www.google.com/search?client=firefox-b-e&q>

— — Could our destination be the so-called **????DIGITAL SOUL????** as some in France and elsewhere suggest? — —

That said, to be clear, it's important to understand that the primary objective of "everything is equal" is to sever social, cultural, and other reference

points in order **to make us doubt everything.** And, within this generalized doubt, the key, priority, and essential objective from the perspective of the strategy being implemented is to make us **excessively tolerant** and, consequently, socially **irresponsible**

As an example, I'm thinking here of the incompetent UN Secretary-General who demonstrates an **excessive, irresponsible, and intolerable tolerance** when it comes to Female Genital Mutilation. Almost four (4) million per year. And we're supposed to **TOLERATE** this until 2030! NO! Unforgivable! Unacceptable! Outrageous! Disgusting! What about the 1948 Universal Declaration of Human Rights, Mr. Guterres?

That said, is it time to question the **excessive tolerance** that we see almost everywhere in the West right now towards the implementation of Sharia law in our Great Civilization?

I believe this, and I also believe that the ultimate, unacknowledged goal of contemporary homogenization has remained the same for millennia. It is to maintain, for as long as possible, by any means necessary, ideally "forever," the narcissistic and dogmatic **masculine** refusal to recognize, **on a comparable level of human dignity**, the indispensable and fundamental complementarity of the feminine. This is obviously not at all the case with the misogynistic Islamic ideology, typically Sharia, whose recurring theme can be summarized as follows:

WOMEN ARE INFERIOR TO MEN IN RELIGION!

<https://fondationdjigui.org/lislam-ne-va-pas-autoriser-une-pratique-qui-peut-causer-du-tort-a-un-etre-humain/>

It should be noted that I do not use the word "EQUALITY" in this matter, which, in my opinion, is a trap, a historical trap, just like the word "FRATERNITY," which has nothing feminine about it. "EQUALITY" is a strictly

mathematical concept, a chimera that has nothing to do with the reality of the daily lives of "ordinary" Women.

WOMEN'S RIGHTS AND PEACE ARE INSEPARABLE!
ONLY « FREE » WOMEN FROM EVERYWHERE CAN SAVE HUMANITY!

By stifling everything through an excess of anonymity, homogenization ensures the destruction of individuality, personalization, biological identity, ancestral roots, inherited traditions, family values, and self-confidence. In short, with their "everything is equal," the proponents of globalist homogenization seek to dismantle as much as possible the PRINCIPLE OF UNITY, so dear to Western tradition.

Remember that you not only have the right
to be unique, but also the obligation.

Eleanor Roosevelt (1884 - 1962)

That said, I am of the opinion that the very first objective of the infamous "D.E.I." ideology — — especially since 2011 with the signing by the Islamist Barack Hussein Obama of Executive Order #13583 — — the first objective of « D.E.I. » is to destroy Western Civilization, American in particular.

D.E.I. and Sharia, the embodiment of limitless hatred, not to mention ideological, doctrinal, endemic, even systemic hatred of ?everything? that defines **the most evolved**, most **envied** Civilization, a Civilization thirsting for personalized telecommunications and thirsting without appeal for "freedom of speech", a Civilization in which the expression **« WOMEN'S RIGHTS »** means something. A little, still too little, but it's already a lot and

so much more than elsewhere. I'm talking here, as you've probably guessed, about our WESTERN CIVILIZATION.....

WONDERFULLY IMPERFECT

But, you might ask, why praise imperfection? The answer is simple! Take note!

IMPERFECTION IS REALITY IN EVERYDAY LIFE!

**?PERFECTION? IS A CHIMERA,
A DISCONNECTION FROM REALITY,
AN OUTDATED NARCISSISTIC MALE IDEOLOGY.**

?PERFECTION? is nothing but a supposition, a regrettable misunderstanding, a pretentious and misleading hypothesis originating from mathematics, even geometry, and also from **male** Islamic ideology.

For there to be **?PERFECTION?**, it would be necessary for everything to be **measurable**, for everything to stop, to become immobilized,  as in « ISLAM WILL NEVER CHANGE »  it would necessary for everything to be **dead**, frozen, for everything to be **FIXED**, as in "The Sphere of Fixed Stars" of the post-Pythagorean tradition.

So what's the point of your **WONDERFULLY IMPERFECT?**

IMPERFECTION IS THE GLORIOUS REALITY OF LIFE!

And **LIFE** is lived in the present, not by obsessively gazing into the mirror of the past, whether it's 2,000, 3,000, or 4,000 years old. NO! In other words, when it comes to staying connected to reality, to the earthly, simple, raw, every day **LIFE**, the earthly truth at the antipodes of the fictional world of "FIXED STARS," the earthly truth at the antipodes of "Sharia," the earthly truth at the antipodes of "ISLAM WILL NEVER CHANGE », this universal and fundamental earthly truth is:

**EVERYTHING VIBRATES - EVERYTHING MOVES
EVERYTHING EVOLVES - EVERYTHING ASCENDS**

**NOTHING IS FIXED
NOTHING IS STEADY
NOTHING IS IMMOBILIZED
NOTHING IS TRULY ?PERFECT?**

And what if we went from "**NOTHING IS PERFECT**" to the impossible "**EVERYTHING IS PERFECT** »?

**WOMEN'S RIGHTS AND PEACE ARE INSEPARABLE!
ONLY « FREE » WOMEN FROM EVERYWHERE CAN SAVE HUMANITY!**

In this regard, let us listen to what the Iranian Imam Mohammad Tawhidi, who has taken it upon himself to proclaim himself "Imam of Peace," has to say about **?PERFECTION?** According to some (Patrick Bet-David), his status as Imam is... debatable.

<https://www.youtube.com/watch?v=FQpqDLhGrrQ>

Mohammad Tawhidi:

*I am talking about reforming Islam, but in reality, I know very well that **there will never be a reform** of that kind... but we will have to pave the way for a possible reform **in a few centuries**. The idea of reforming something that was once presented as **PERFECT** makes no sense. **It is already PERFECT**.*

*So it's not as if Islam was introduced in Mecca as another option, a theory, or a new way of life. It was presented as the **PERFECT** and **ONLY** way of life for **ALL HUMAN** beings.*

*And when you adopt such an approach, it's very difficult to turn around and say, « **Let's reform what is ALREADY PERFECT** ».*

*What the Wahhabis sell was an even bigger lie and said, « Hey, let's live as the Prophet Muhammad lived, because that is **THE PERFECT IMAGE OF MAN**.*

**WOMEN'S RIGHTS AND PEACE ARE INSEPARABLE!
ONLY « FREE » WOMEN FROM EVERYWHERE CAN SAVE HUMANITY!**
