to President Donald Trump

THE NUMBER ONE (#1) ENEMY OF WESTERN CIVILIZATION AS A WHOLE, THE MOST ADVANCED, THE MOST EVOLVED, THE RICHEST IN TERMS OF « FREEDOM OF SPEECH », ENEMY NUMBER ONE (#1), OUR NUMBER #1 COMMON ENEMY IS HOMOGENIZATION.

AND THE NUMBER #1 TOOL THAT OUR COMMON ENEMY HAS CHOSEN TO DESTROY US AS A DISTINCT CIVILIZATION IS « **TRANS-IDENTITY** ».

MOREOVER, BASED ON «D.E.I.» SEASONED WITH «HUSSEIN-BIDEN» SAUCE, «**TRANS-IDENTITY**» IS INSEPARABLE FROM THE « **WOKE** » MOVEMENT, ITSELF INSEPARABLE FROM THE SO-CALLED « TRANS-HUMANISM ». SO THE EUGENIC IDEOLOGY BORN IN 1933 IS NOT DEAD

Yet, in the reality of everyday life, "**TRANS-IDENTITY**" is nothing but a sad illusion, a fiction, a vicious and insidious drift, an indecent deception, a vulgar marketing strategy replaying out a new game. Let's hope this is the last time, and I would add that thanks to President Trump's proactive intervention with the International Olympic Committee, it just might be the case, and not only in Women's sports.

TRUMP WELCOMES IOC DECISION ON TRANSGENDER ATHLETES.

Let's listen to OIIO, my browser.

The US president has signed executive orders aimed at banning visas for transgender athletes competing in Women's categories and has established a federal task force for the 2028 Los Angeles Olympics. He has pressured US Olympic authorities, welcoming the adoption of strict rules aimed at preserving Women's categories.

Goodbye to fictional trans coward!
Goodbye to fictional trans cheater
Goodbye to fictional trans hypocrite!
Goodbye to fictional trans opportunist!

That said, the path followed by this misogynistic ideology under the aegis of trans-humanism with its powerful media strings, that path simply consists of **denying the existence of sex**, including its biological basis.

CHANGING SEX IS **IMPOSSIBLE**.

Scientifically speaking, it is **impossible** for a **Woman** to become a **man**.

Biologically speaking, it is **impossible** for a **Woman** to become a **man**.

Structurally speaking, it is **impossible** for a **Woman** to become a **man**.

Physically speaking, it is **impossible** for a **Woman** to become a **man**.

Mechanically speaking, it is **impossible** for a **Woman** to become a **man**.

Affectively speaking, it is **impossible** for a **Woman** to become a **man**.

Spiritually speaking, it is **impossible** for a **Woman** to become a **man**.

Anatomically speaking, it is **impossible** for a **Woman** to become a **man**.

Medically speaking, it is **impossible** for a **Woman** to become a **man**.

Genetically speaking, it is **impossible** for a **Woman** to become a **man**.

Emotionally speaking, it is **impossible** for a **Woman** to become a **man**.

A «**TRANS**» PERSON, THAT DOES NOT EXIST. FULL STOP

A «**TRANS**» PERSON, THAT HAS NEVER EXISTED. FULL STOP

A «**TRANS**» PERSON, THAT WILL NEVER EXIST. FULL STOP

Those who claim, who proclaim, who assert, who shout that they have succeeded in going from "**Male To Female**" are cheaters, liars, hypocrites, profiteers, manipulators, opportunists, careerists and, in the case of the boxers above, cowards

A trans-woman is not a Woman (Joanne Rowling).

Women's Rights and **PEACE** are inseparable.

ONLY free women from everywhere are capable of saving Humanity.

We still live in a world where **Women** are despised.

We still live in a world where **Women** are mutilated.

We still live in a world where **Women** are exploited.

We still live in a world where **Women** are ignored.

We still live in a world where **Women** are negotiated.

We still live in a world where **Women** are trafficked.

We still live in a world where **rape** is legalized.

We still live in a world where **rape** is normalized.

We still live in a world where **rape** is cultivated.

We still live in a world where **rape** is weaponized.

We still live in a world where **rape** is glorified.

That said, before taking a closer look at this dangerous and deviant matter of «TRANS-IDENTITY», shouldn't we first recognize that, nowadays, we live in a world in which there is, theoretically, an almost unlimited place for the so-called « RIGHTS », but, in practice, almost no place for the so-called «DUTIES ».

I am referring here to the HUMAN DUTIES that Pope John XXIII evoked on April 11, 1963, in his Encyclical « **PACEM IN TERRIS** », « **PAIX SUR TERRE** », « **PEACE ON EARTH** », «**МИР НА ЗЕМЛЕ**», “**PAZ EN LA TIERRA**”, “السلام على الأرض”, “人间和平”, “पृथ्वी पर शांति ».

DID YOU SAY «ROBOBREAST»?

What an extraordinary ?coincidence? Totally unexpected! On June 13th, as I begin writing this script in which I plan to use the «**TRANS-ROSE*** » dossier in the White House gardens as a launching pad.....

*His name is Rose Montaya

.....and there I found this YouTube Short.....

Male to female transformation

crossdressing **beauty**

.....which shows a series of « **11** » photos of males claiming to have become female, that is to say, « **11** » flamboyant surgical successes. It's impressive! Judge for yourself

We still live in a world where sexuality is **despised**.

We still live in a world where Women are **despised**.

We still live in a world where the Feminine body is **despised**.

« **Vaginoplasty** » without a vaginal cavity is a surgical procedure that constructs female genitalia that appear as **?natural?** as possible, without creating a vaginal cavity. A clitoris is created using the sensitive skin of the glans. A hood is then placed over the clitoris. A vulva with labia majora and minora, as well as clitoral erogenous zones, is then created, allowing for

sexual pleasure. The scrotal skin is removed, the testicles are excised, the internal structures of the penis are dissected, and labia majora are created.

MORE KNOTTY THAN THAT, YOU DIE
WORSE CONTEMPT FOR SEX, YOU DIE!
WORSE CONTEMPT FOR « LIFE », YOU DIE!
WORSE CONTEMPT FOR ONESELF, YOU DIE!
WORSE CONTEMPT FOR YOUR FINALITY, YOU DIE!
WORSE CONTEMPT FOR YOUR SPIRITUALITY, YOU DIE!

DID YOU SAY « ROBOTIZATION »?

Let's listen to OIIO, my browser, about **robots**:

These robots are made of thermoplastic elastomer, a soft and elastic material similar to human skin. Each robot is built around a metal skeleton, allowing it to assume various poses while maintaining flexibility and stability. Particular attention has been paid to detail: facial features, skin texture, and other anatomical aspects are reproduced with great realism. They are fully customizable to individual preferences, including skin tone, eye color, and hairstyle.

Let's listen to OIIO about **surgeons**:

The milk ducts lead from the lobes of the mammary gland to the nipple. Before reaching the surface, they widen slightly. Each nipple has approximately 9 to 15 small pores through which the milk flows. The nipple is rich in smooth muscle fibers. During stimulation (cold, touch, excitement) or breastfeeding, these fibers contract to harden the nipple, make it

protrude, and facilitate milk expulsion. The nipple and areola have an extremely high density of sensory nerve endings.

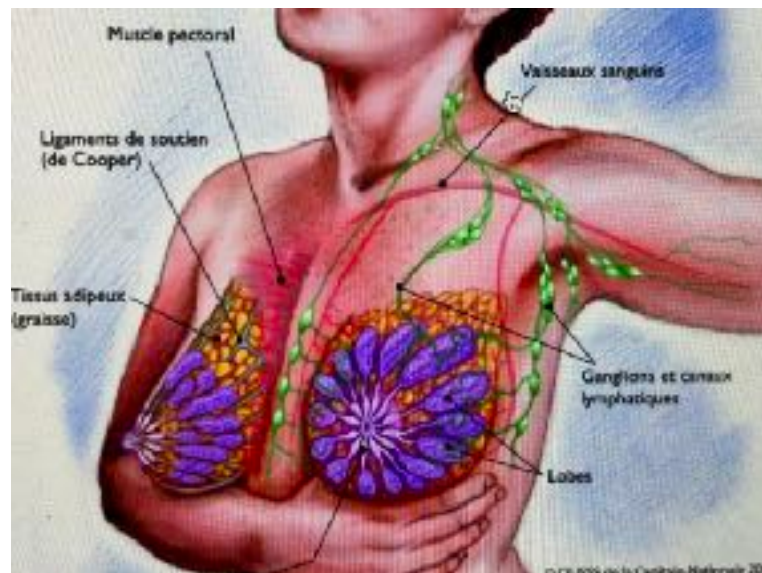

But what's the point of all this surgical fanfare?

To go from male to stewardess is not changing sex.

To go from male to stewardess is to despise one's own body.

Let's start with what is clear, easy to understand, respectful of life, and GLORIOUSLY BEAUTIFUL.

GRANDIOSE SPLENDOR OF NATURAL ORGANIC BEAUTY

IT'S BIOLOGICAL, IT'S REPTILIAN, IT'S VISCERAL! FULL STOP

Competitions, contests, galas and shows of the "MALE TO FEMALE" type are "**Commedia dell'Arte**" short scenes with international visibility.....

— — Kataluna Enriquez, crowned **Miss Nevada** 2021, made history by becoming the first openly transgender woman to win the titles of Miss Silver State USA and Miss Nevada USA, and to compete in the Miss USA national pageant. — —

.....short scenes whose puppets have been robotized and whose stage movements are manipulated by strings whose manipulating origins are impossible to specify with certainty but certainly homogenization rooted.

In this light, it becomes clear that the males who were led to believe they could become females were the marketing victims of the most vicious and shameful intellectual and moral manipulation in human history to date. And the number of those who regret it is countless.

The formula "FROM MALE TO FEMALE," whether you analyze it from any perspective, whatever its source and modus operandi, whether its

dissemination is intentionally or unintentionally misleading, it doesn't matter; the formula "FROM MALE TO FEMALE" is an insult to Human intelligence. I'm not referring to so-called "Artificial Intelligence."

Every time this formula is presented to you, remember that it is always the cutting edge of lies, the deceptive peak of SYSTEMIC DISINFORMATION because when it comes to the homogenization of our species, TRANS-SEXUALITY, our ENEMY #1, is to be taken seriously, especially since nowadays, in the West, the formula has become a **profitable** "Big Business".

BUT THERE IS A SHADOW ON THE HORIZON!

AND IT'S HUGE!

THE SIZE OF CHINA'S TRANS-INDUSTRY!

The coming Chinese competition, which is already here, will inevitably win. That's undeniable. "Cheap labor," and even worse, "robotic labor," to produce millions of very sexy, **hyper-docile** models, there's nothing better.

Therefore, we will move from the highly profitable "normalized" trans of the American industry of said "transformation" — Rose Montoya at the White

House — to the super profitable robotization of "sex bots" of the Xi Jinping era.

OIIO - A bot (short for "robot") is an automated computer program designed to perform repetitive and predefined tasks on a network. Operating automatically, bots can execute instructions and **mimic human actions** much faster and **????** with far greater accuracy than a human **????**

Here is a retouched advertisement from a Chinese manufacturer of « **ROBOBREASTS** »

Their primary function is to serve as companions. They are also used in photo shoots, artistic projects, and other applications requiring lifelike models. Thanks to their hyperrealism and flexible functionality, these robots are designed **to replace human partners**. Behind these **?lifelike?** creations is a team of designers and artists, allowing clients to personalize their model down to the smallest detail.

PREDICTING WHERE THE ROBOTISATION OF WOMEN WILL LEAD
HUMANITY IS, IN MY OPINION, COMPLETELY **IMPOSSIBLE** DESPITE

THE FACT THAT THE HOLDERS OF SO-CALLED "ARTIFICIAL INTELLIGENCE" WILL CONTINUE TO CLAIM THE OPPOSITE.

WHAT IS PREDICTABLE ON THE OTHER HAND, IS THAT A MULTITUDE OF FALSE PROPHETS AND "AI" MARKETING SPECIALISTS WILL MAKE A FORTUNE BY DECLARING, PUNCH-LINES ONE AFTER THE OTHER, DECLARING TO KNOW EVERYTHING ABOUT THE FUTURE OF HUMANITY

There are even some, get this, who claim to know where Humanity will be in 2035.

THIS IS NO LONGER SCIENCE FICTION:

CHINA IS ALREADY LIVING IN 2035.

NINE (9) YEARS
